**Clinical Science Products, Inc. Announces hCG One Step
Urine Pregnancy Test Strip Availability**

The Clinical Science Products, Inc. hCG Urine Dipstick uses a patented, innovative technology as a one-step test to provide highly sensitive and specific results for pregnancy.

The hCG Urine Test Strip is:

- **FAST:** single-step test provides positive results in as little as 1 minute
- **EASY:** CLIA-waived, easy-to-use test, requires no training
- **RELIABLE:** highly sensitive assay with built-in control ensures accuracy
- **SENSITIVE:** detects 25 mIU/mL hCG or greater in urine
- **ACCURATE:** accuracy is greater than 99%, specificity is greater than 99%

STORAGE AND STABILITY

The test strip can be stored 4C to 30C in the sealed pouch for duration of shelf life. The shelf life is 24 months and the test strip should be kept away from direct sunlight, moisture and heat.

KIT SIZE

The one step hCG Urine test strip is available as a 25 Test, 50 Test, or 100 Test kit.

PRECAUTION

- * For in vitro diagnostic use only.
- * Do not use test strip beyond expiration date.
- * The test strip should not be reused.

For more details on the One Step hCG Urine Test Strip please feel free to make contact through our website, phone, fax, or email.
